OCT 16 - NOV 22 2014
Galerie Charlot
Paris, International

Galerie Charlot presents the world premiere of [Eduardo Kac's](#) recent olfactory art: *Osmoboxes*. An *Osmobox* responds to the presence of the viewer by opening itself and gently releasing an aroma. Each *Osmobox* has a distinct and unique olfactory identity, which constitutes the core of the artwork. Besides the *Osmoboxes*, Kac's solo show will also present the artist's book *Aromapoetry*, in which the poems are olfactory compositions.
